09:15 - 10:00	Speaker 1: Kay Axhausen : <i>Transport Planning's Dilemma: Can an e-bike city help?</i>
10:00 - 11:00	Oral O1: Biological Networks
11:00 - 11:30	Poster P1: Network Structure, Learning & Dynamics (morning session) & Coffee Break
11:30 - 12:30	Oral O2: Graph Learning
12:30 - 14:15	Lunch
14:15 - 15:15	Oral O3: Diffusion & Epidemics
15:15 - 16:00	Speaker 2: Chiara Poletto : <i>Unravelling the Complexity of Multi-pathogen Interaction</i>
16:00 - 16:30	Poster P1: Network Structure, Learning & Dynamics (afternoon session) & Coffee Break
16:30 - 17:30	Oral O4: Network Structure & Dynamics
17:30 - 18:00	Presentation: Bertalanffy Student Award:
18:00 - 20:00	Welcome Reception

Day 2 – June 04, 2026

08:30 - 09:15	Registration
09:15 - 10:00	Speaker 3: Tiziana Di Matteo/Giuseppe Brandi : <i>Multiscaling in Financial Markets: A Window into the Complexity of Prices and Volatility Dynamics</i>
10:00 - 11:00	Oral O5: Financial Networks
11:00 - 11:30	Poster P2: Applications of Complex Systems (morning session) & Coffee Break
11:30 - 12:30	Oral O6: Foundations & Robustness of Complex Systems
12:30 - 14:15	Lunch
14:15 - 15:15	Oral O7: AI for Complex Systems
15:15- 16:00	Speaker 4: René Thom Young Researcher Awardee
16:00 - 16:30	Poster P2: Applications of Complex Systems (afternoon session) & Coffee Break
16:30 - 17:30	Oral O8: Self-Organizing Systems
20:00 - 22:30	Dinner Banquet

Day 3 - June 05, 2026

08:30 - 09:15	Registration
09:15 - 10:00	Speaker 5: Johan Bollen : <i>Computational Social Science Approaches to study the Complex Systems that shape Mental Health</i>
10:00- 11:00	Oral W1: Workshop on Complex Health & AI – Chair: Christophe Cruz
11:00 - 11:30	Coffee Break
11:30- 12:30	Oral O9: Information & Interaction Dynamics
12:30 - 14:15	Lunch
14:15- 15:15	Oral O10: Social & Misinformation Networks
15:15 -15:30	Oral & Poster Presentation Awards & Closing
